

*Application No. 10/807733*  
*Page 4*

*Amendment*  
*Attorney Docket No. S63.2N-6927-US04*

**Remarks**

This Amendment is in response to the Office Action dated February 9, 2006. In the Office Action the abstract was objected to because the title did not match the amended title in the application. Correction has been made.

The claims have been renumbered as requested by the Examiner.

Claims 16-23 were rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-14 of U.S. Patent No. 6,168,621 to Vrba in view of Patent 6,740,113 to Vrba. Applicant herewith submits a terminal disclaimer showing common ownership between the application and cited U.S. Patent No. 6,168,621 to Vrba thereby overcoming the rejection.

Applicant respectfully requests that the objection and rejection above be withdrawn. Claims 16-23 are believed to be in condition for allowance. Notification to that effect is respectfully requested.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
